

## COVID-19 Stimulus Package Equipment Finance

### What is it?

Equipment finance providers are currently aiding those affected by COVID-19.

This is in the form of:

- a 3-month deferral on loan repayments with extension at end of contract
- a 3-month deferral of payments with increased payments after the 3-month period

Each bank has different criteria, however please see below contact details for financiers if you wish to apply.

Please contact your bank or broker directly should your financier not be listed below.
