

FREE WEBINAR

NAVIGATING THE NEW BUSINESS LANDSCAPE

Post Pandemic

Join our good friends Luke & Joe from Modern Visual for key business insights – what we've learnt since the pandemic & moving forward how businesses can arise & flourish in the 'new' landscape we find ourselves in.

TIME
7:00PM

WHEN
Wed 14th April
via Zoom!

WHAT'S COVERED

Luke & Joe will discuss key topics surrounding:

- Growth goal setting in an inherently unpredictable year.
- How proactive maneuverability will remain essential in navigating the new business landscape.
- Your newly evolved customers & how to keep them happy.
- The importance of your business' software & operational procedures.
- High converting websites – is your business ready? Leads, conversions & added volume to sales systems will cause more problems if your business systems & software are not ready.
